

## BSA – Troop 302 Vehicle Insurance

**The Boy Scout of America requires that all vehicles that transport Scouts on any outing MUST be covered by a liability and property damage insurance policy.** We ask that you complete this form now for all vehicles that you might use in the future for a Scout outing so that our records will be complete. If any of the information changes, we ask that you notify the Troop to update their records.

The amount of coverage must meet or exceed the insurance requirement of the state in which the vehicle is licensed and comply with or exceed the requirements of the country of destination for travel outside the United States. (It is recommended, however, that coverage limits are at least \$50,000/\$100,000/\$50,000 or \$100,000 combined single limit.) Any vehicle designed to carry 10 or more passengers is required to have limits of \$100,000/\$500,000/\$100,000 or \$500,000 combined single limit. In the case of rented vehicles the requirement of coverage limits can be met by combining the limits of personal coverage carried by the driver with coverage carried by the owner of the rented vehicle.
