How did I earn this badge?

Badge Name For the Love of Books

Make sure to get at least four steps completed and dated and initials by either Miss Kim or Miss Audra. If you won't be completing the step with the troop, please explain how you worked on it on your own.

1. Invite a storyteller to tell a story at your meeting.
 - ♥ We have invited a Florence Librarian to read us a story during our visit on 6/25
2. Have each girl donate one of her used books to a local literacy project.
 - ♥ Please bring at least one gently used book to our meeting at the Bordentown Library on 8/3. We will be donating them to a program that gives kids age appropriate reading material for their homes. These can be for all levels including toddler
3. Create or play a game in relation to a favorite book
 - ♥ feel free to do this one on your own and tell us about it
4. Make and model a costume from one book you have read resembling your favorite character.
 - ♥ Please come to the Bordentown library trip in 'costume'. Could be something as simple as a hat or glasses or you can go all out and dress head to toe in pink like Pinkalicious or in a Maid's costume like Amelia Bedelia, or in a Monkey suit like Curious George. Be creative and represent a character in a book you like.
5. Create a scrapbook of pictures you have drawn from scenes of your favorite books.
 - ♥ As part of your summer reading programs for the library and Barnes & Noble, Choose 8 of your favorite books you have read and draw a small picture in each of the boxes in your scrapbook to represent each book and write what book it is.
6. Have a snack based on a story.
 - ♥ Enjoy eating your bookworms as you turn into little bookworms yourself this summer!
