

Camp Olmsted

Goshen Scout Reservation

Program Schedules 2016

Pre-Registration

All troops are encouraged to take advantage of our merit badge pre-registration system. Pre-registration producers can be found on the main Goshen website.

Prerequisites

Due to infeasibility of some requirements to be completed at camp, we are unable to offer full completion of some merit badges. Scouts are encouraged to meet prerequisites in advance in order to receive a completion of these badges. If a Scout arrives without physical verification (completed project, written verification from counselor or unit Leader) that he has completed a requirement listed on the prerequisite sheet then he will receive a partial. Please be sure to consult the prerequisite list before enrolling in a class to ensure the highest rate of merit badge completion for your Scouts.

Activity Hour

Following lunch, Olmsted will be offering different competitive activities each day before returning to merit badge program. Scores will kept based on participation and points earned during the events will contribute to our Olmsted Troop of the Week. The overall winner of our Activity Hour will be recognized during Friday's Camp Fire! Show your troop's pride and get ready to compete. All activities began at 1:45 near the Admin building. An Activity Hour schedule will be provided to you when arrive at camp. During this hour, program areas will be open allowing Scouts additional time to work on merit badges.

Blue Cards

For Scouts to receive a merit badge they must provide our instructors with Blue Cards. This will be your troop's documentation that Scouts have completed or receive a partial from all of badges worked on while at Olmsted. Blue Cards will be given back to troops at the end of the week during our Merit Badge Reconciliation.

Troops are responsible for provide their own Blue Cards. Blue Cards can be purchased in our Trading Post and in any official BSA Supply Store.

Merit Badge Walkthrough

During the week adult Leaders or SPL will have an opportunity to check the progress of Scouts in specific merit badge classes. On Wednesday during Open Lunch (12:15-1:35) all Area Directors will be in the Trailhead 1 pavilion with records in hand. This gives Leaders or SPLs an opportunity to speak to any Area Director about the progress of their Scouts.

Merit Badge Reconciliation

Friday evening from 7:15-8:30 in the Dining Hall, Leaders will be able to pick up all of their troop's Blue Cards and any awards they may have earned throughout the week. During this time Area Directors will be in the Dining Hall to answer any final questions.

Trailhead

Scouts partaking in our Trailhead program will have the opportunity to earn 2 badges during the week; Swimming (at Aquatics) and one badge during Merit Badge Time (picked from the asterisked classes on the 2016 Merit Badge Program Schedule).
