

Annual Fertilizer Sale

Dickinson Boy Scout Troop 696
P.O. Box 922
Dickinson, Texas 77539

Troop 696 is now taking fertilizer orders for its annual fundraiser. The fertilizer is manufactured by American Plant Food. Both the lawn fertilizer and the all-purpose fertilizers are premium grades formulated for our area. They both contain all of the essential minerals and iron. Comparable grades of fertilizer sell elsewhere at a significantly higher cost.

This campaign is our primary fundraising opportunity each year. With your help, we will be able to continue to provide a quality program that is safe, fun and provides leadership opportunities for our scouts. Our goal is to raise enough money to ensure the quality of our program throughout the year. If you have supported us in the past, we thank you very much and as always value your continued support. If this is your first time to contribute to our troop, we also thank you for your support now and hopefully in the years to come.
